LIFE AS IT SHOULD ALWAYS BE.

Many people think that on holiday it is necessary to make do and that combining **comfort and contact with nature** is impossible.

At Club del Sol we prefer people who, when thinking about their holiday, **“want it all”**. That is why we created the first holidays where comfort and nature coexist, and called them **“Full Life Holidays”**.

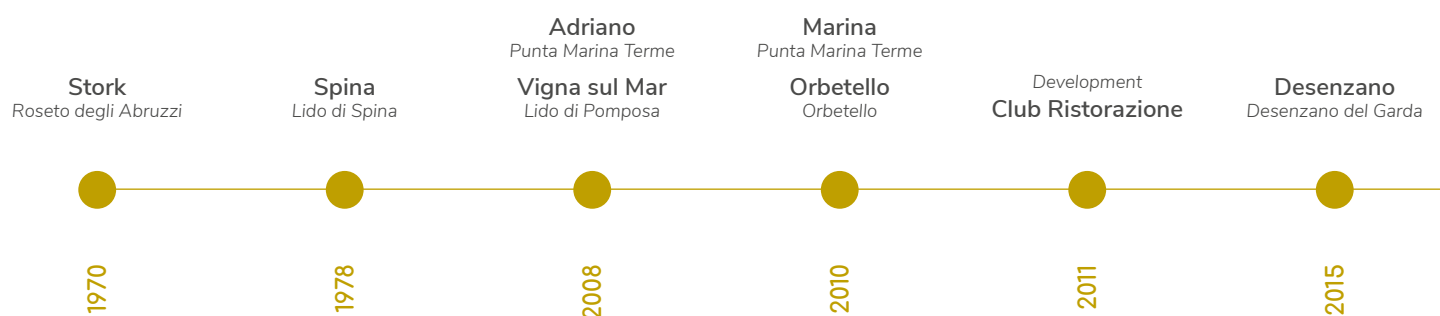

What is a “Full Life Holiday”?

It is a holiday that offers everything: a stone's throw from the **sea**, overlooking a **beach**, under a **blue sky**, surrounded by **green**, in the company of your loved ones and friends, with plenty of **nature, freedom, companionship** and **comfort**. These are the ingredients of a full life. Or maybe it is just life as it should be. Always. **Welcome to Club del Sol!**

THE FIRST DAWN

The Story of Club del Sole

We were born in the shade of a vineyard by the sea, in Abruzzo. Our story began on a chairlift above a beach in the Lidi Ferraresi, more than 50 years ago. Today our sun is shining over Italy's most popular beach destinations, in 23 holiday villages.

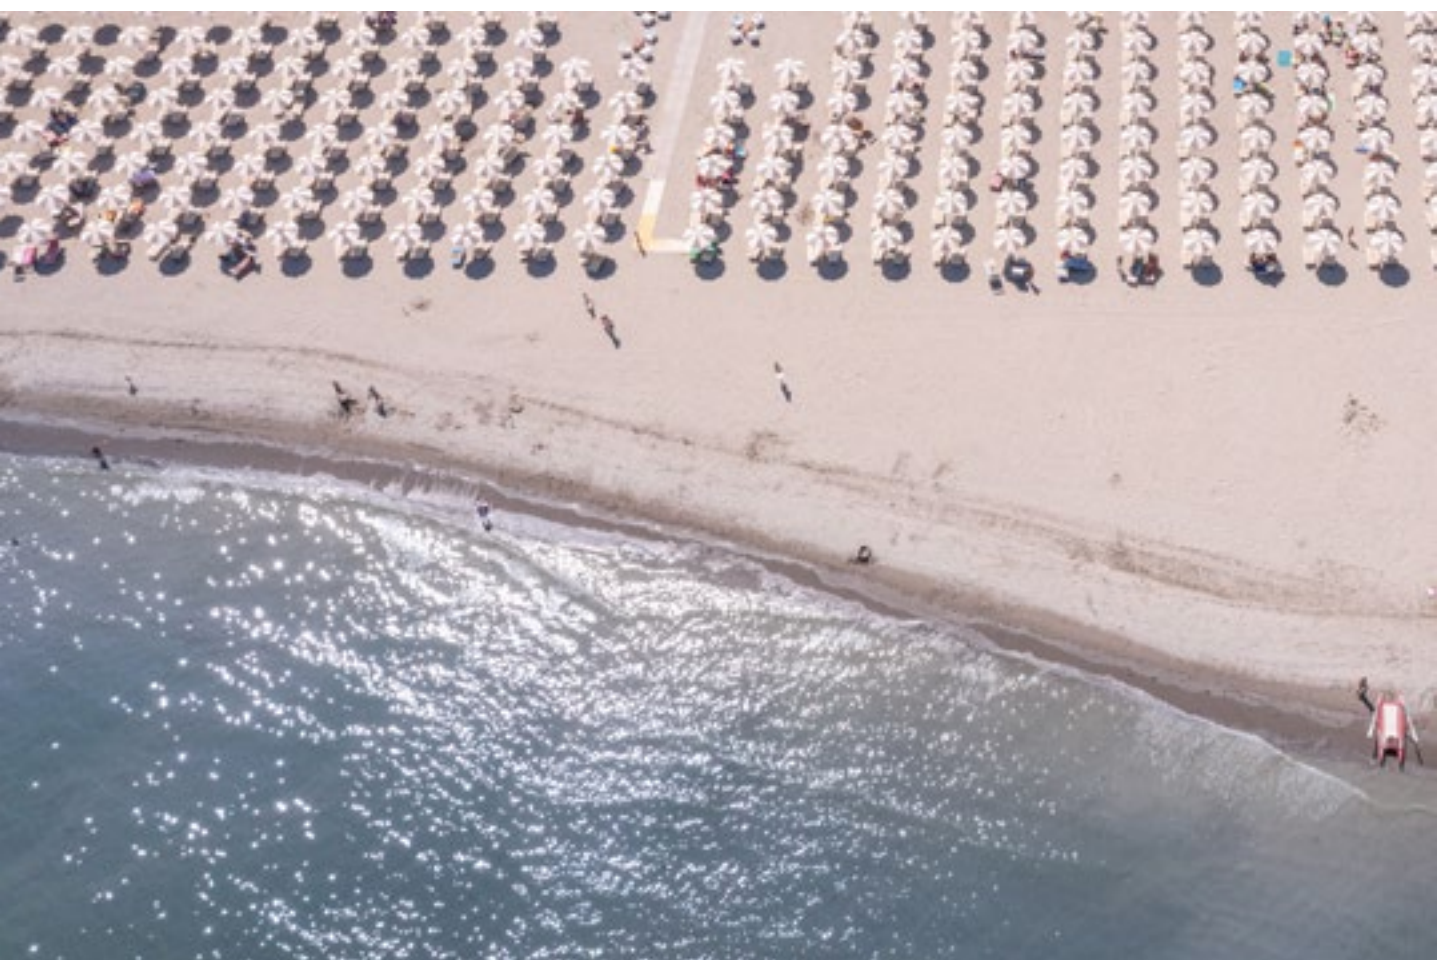

CLUB DEL SOLE, TODAY

About us

Italy's largest chain of holiday resorts for "Full Life Holidays". The first holidays where Comfort and Nature coexist in harmony.

27 Full Life Village	8 Regions	More than 9000 Housing solutions	Over 3,2 million Stays in 2024
--------------------------------	---------------------	--	--

Club del Sole means holidays in the open air: 27 holiday villages just a stone's throw from the sea, mountains and coastline that symbolise the perfect Italian summer, the most popular in Italy and the world.

WHAT KIND OF HOLIDAY ARE YOU?

Holiday Villages designed to meet every need, from experiences more in touch with nature to uncompromisingly comfortable hospitality formats.

YOUR FULL LIFE HOLIDAY BY CLUB DEL SOLE

Maximum service and **comfort**, for a holiday that becomes a true **Full Life Holiday**! A total wellness experience with **no compromise**, starting with designer accommodation ready to surprise you, together with the possibility of **customising** every aspect of your stay, and ending with the **unspoilt nature** that provides a splendid backdrop to our Resorts. Whether you are on the beach in **Milano Marittima**, on the promenade in **Ravenna** or at the table of a gourmet restaurant on **Lake Garda**, you will always feel like you are in the right place.

COMFORT AND NATURE, ALL IN ONE

Accommodation in **unique natural settings**, but with all the comforts you just can't do without: forget the classic hotel holiday and **enjoy the freedom of** a relaxing stay in a lodge, suite, apartment, chalet or independent, open-air bungalow. In Club del Sole Villages, entertainment is also an **added value**: discover it while **swimming** in the **pools** and **water parks** of our facilities, relaxing in the sun on our **private beaches** or perhaps enjoying the menus of our on-site **restaurants**. Holidays are easier when you have everything **at your fingertips**.

RESORTS... BUT ALSO CAMPING VILLAGES!

Respecting the original philosophy of the **open-air holiday**, in a Camping Village where you can rediscover **authentic, fulfilling** contact with nature. Some Club del Sole Villages are indeed perfect for holidays with your camper van, caravan or tent, but they also allow you to fully experience open spaces within them in '**green**' accommodation such as **Air Lodges** or **Lodge Tents**. Sometimes a T-shirt and a pair of Bermuda shorts are enough to make you feel comfortable, but the guarantee that you can also count on all the services of our facilities will ensure you have a truly **unforgettable** stay with the ones you love.

WHAT KIND OF HOLIDAY DO YOU PREFER?

All Club del Sole holidays are synonymous with comfort and nature: discover the four styles of experience, where each guest can find the Village that best suits their needs.

EASY CAMPING VILLAGE

The Easy Camping Villages are **small holiday** Villages that offer a **basic** experience in close contact with **nature**, ideal for families and small groups looking for a **real holiday** in the open air.

FAMILY COLLECTION

The Family Collections are large holiday Villages that offer an open-air experience with a wide range of services and comforts; they are perfect for the whole family and for **all types of families**, thanks to the great **flexibility** and the many **options** available to their guests.

FAMILY RESORT

The Family Resorts are the **best expression** of holiday Villages for families according to Club del Sole. They offer a holiday of **total relaxation**, comfort and wellbeing, with a wide range of services and facilities in the **most popular Italian holiday destinations**.

BOUTIQUE RESORT

The Boutique Resorts are selected Villages in **elegant** and **exclusive** destinations, ideal for couples seeking **intimacy**, privacy, relaxation and **top quality**.

WHEN YOUR TASTEBUDS WANT IT ALL

Club del Sole restaurants

Under this sun beats a heart of Romagna that brings you authentic, tasty cuisine for the whole family.

GOURMET BUFFET

ALL RESTAURANTS

In our Resorts it is possible to dine in restaurants offering traditional cuisine, classic seafood on the beach, barbecues, and even **gourmet** restaurants, **piadinerias** and **food trucks**.

There is never any shortage of vegetarian and in some cases, vegan options.

There are also tastes that are particularly close to our hearts: those of our **youngest** guests. Each restaurant has a dedicated menu for them, with **tasty**, **nutritious**, and **balanced** meals.

A HOLIDAY WITH THE WHOLE FAMILY

Young, old and four-legged friends

When a Full Life Holiday is a Full Family Holiday!

Happy children and relaxed parents

The history of Club del Sole is a family history: from the time of the first Village, care for **little ones** and **peace of mind** for parents have been our focus.

Every Village offers **Baby Care services** dedicated to infants and pre-school children, including care for their well-being, nutrition, rest, and of course their safety.

With Jeko having fun is natural!

What is the secret ingredient for a perfect holiday? Young kids and pre-teens all have no doubt: friendship. In Club del Sole Villages there is always a friend waiting for them: our mascot **Jeko**! Jeko looks forward to having fun with them and the entertainments team at our themed parties, group dances, and our creative and of course recreational activities.

Club del Sole 4 family

Make do? Never! Club del Sole Lovers' families want it all. That is why we created the **"Club del Sole 4 Family"** project in 2024. What is it about? Five villages will have special areas dedicated to family activities, where sports, play and discovery can be combined in a stimulating and "adventurous" setting. The new children's play areas will combine inclusive wooden structures, rich in motor stimulation and replicating surprising settings such as ships, castles with bridges and pulleys, and fitness areas for adults.

Choose the activity you prefer!

Mini Club (4-10 years of age)

Plenty of activities designed for your children, with workshops, dancing and games, all accompanied by our fun mascot, Jeko.

Junior Club (11-16 years of age)

Sports tournaments, beach activities and pool entertainments, with all the enthusiasm needed to make a teen holiday special.

Adults

What do you say to a morning gym session on the beach, a sensory walk, or a little pool fitness? A new activity to try out every day!

FULL DOG FRIENDLY

We don't just accept dogs: we welcome them with open arms

Those who want everything from their holiday, could never be without their four-legged friend! Never! That's why in our Full Life Holidays Villages we have chosen to welcome dogs, and not simply accept them. We offer dedicated spaces, services, qualified staff and the inevitable welcome Bau Bag.

- bring the **vaccination and health document** with you
- carry a muzzle with you (to be used only when **necessary**)

You are not obliged to insure your dog, although we recommend that you do.

A holiday with a “wag”

Someone gave this definition and we can only agree with them! Seeing our **4-legged friends** playing on the beach or walking happily surrounded by **nature** makes us really **proud**.

The **Family Dog Friendly** experience is an exclusive at Villages Club del Sole.

HOSPITALITY IS NATURAL

Accommodation

All the living solutions, one Full Life Holiday.

CHALETS

What could be more natural than a **wooden** chalet? Distinctly shaped **dwellings** that blend into the colours of the **pine wood** and welcome guests with their own sleeping area, kitchen, and outdoor veranda.

DISCOVERY

All the ingredients of an outdoor holiday, designed for the hospitality of the future. **Brightness, comfort** and **attention to detail** dialogue with the surrounding nature over a wooden deck.

PITCHES

LODGE TENTS

Who hasn't dreamed of sleeping in the Indians' tent since they were kids? Lodge tents have a **Native American teepee-inspired** design and all the comforts of the most modern lodges. A dream for young and old.

BUNGALOWS

A real holiday cottage, surrounded by green. Perfect for **practical** and value-conscious guests. Even here, there is plenty of outdoor space.

APARTMENTS

Many Club del Sole holidaymakers remain fond of the more classical accommodation solution: they are the ones who choose our **apartments**. Independent spaces always with an **outdoor area, terrace or veranda**, overlooking nature in our Resorts.

SUITES

"I want everything," is what the star of our TV commercial has to say. Here, for those who think like you, there are our suites: the ultimate in **interior** and **exterior** space, optional extras, attention to **detail** and of course contact with nature.

HOTEL ROOMS

Some people really can't give up a **classic, comfortable** hotel room, and we have a **Full Life Holiday** for them too.
