

DOG POOL RULES

Club del Sole created this pool to give you the chance give your dog a special experience. These regulations serve to guarantee your safety, allowing you to enjoy this space correctly and without any worries. Please contact Reception to arrange your use of the pool. The pool does not have lifeguards and therefore users must exercise the utmost care and caution when using it.

It is prohibited to

- Bring more than two dogs into the pool at a time.
- Introduce even potentially hostile dogs to each other.
- Leave your pets unsupervised in the pool.
- Bring dogs in heat, convalescent dogs, dogs in obvious distress or pregnant dogs into the pool.
- Use the pool outside opening hours.
- Leave personal belongings, such as mattresses or inflatables, in the pool or adjacent area after closing time.
- Smoke in the pool.
- Use glass items in the pool and adjacent area.
- Bring and consume food and drink of any kind in water (unsweetened water in glasses, or plastic cups or goblets) is an exception.

It is compulsory to

- Dry your dog after using the pool.
- Ensure your dog is wearing a float jacket. If you do not have one, you can request one at the reception desk.
- Remove your dog's parasite collar before entering the pool.
- Collect your dog's waste with the bags provided.
- Use the special bins for waste of any kind

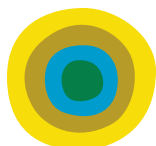

For anything not expressly indicated, the general rules of the Club del Sole Facilities Regulations apply. Failure to comply with the above rules may result you being asked to leave the pool.

The person who made the reservation shall remain liable for any damage caused by their animal to property and/or persons and/or other animals for the entire period of use of the pool.
